

OFFICE OF THE DIRECTOR

Date: 23 Sept 1977

TO:

FROM:

SUBJECT: Weekly Pending Cabinet Correspondence
Report

REMARKS:

Am: Neither Dave nor I find this report of sufficient
use ~~for~~ to continue it. Do you?

We believe that it is essentially the responsibility
of the individual office that originated the item to
pursue a response if it is vitally needed. If and
when the issue becomes critical, then that office should
alert the DCI and ask for his help.

We cover the regular Cabinet-level meetings (Vance,
Brown) okay already, I think, and the Executive
Secretary and the special interest office are alert
to those and other meetings (e.g., Tony Lapham
checking on when the DCI is to meet with the A. G.
next). On that particular item, note para 2 of
the attached which refers to an outstanding item
pending with the A. G.)

In summary, we believe we could ~~not~~ tell the
Executive Secretary to drop this weekly report.
